Family Name ………………………………

Term 1, Week 10
April 5th, 2007

From the Principal

Last week it was announced that Matthew McCurry won the position of Principal at Wharminda for Term 2. Matthew is currently teaching at the Port Lincoln High School. Congratulations Matthew on your appointment and I hope your stay at Wharminda is as enjoyable and rewarding as mine has been.

Thank you to everyone who took the opportunity to join in the Parent / Teacher interviews this week. I hope they were informative and gave you a clear picture of your child/ren’s progress. Please remember if there is an issue you wish to discuss at any time please feel free to contact the school.

DRUM ROLL PLEASE ! It is with great pleasure (and relief) to let you know that the pavers for under the pergola have been ordered and the laying of them has been organised. The pavers will hopefully be laid during the holidays so when school returns next term you may not recognize the place. Thank you to the Paving Committee (Tina, Lou and Ian) for the planning and hard work they put in and also a big thankyou to the Dads, organized by Ian, who are going to help prepare the site.

By all accounts the Cleve Show was a success the other weekend and Wharminda Primary was well represented by the number of entries submitted by our students. These entries would not have been possible without the efforts of Jodie and Lou at school and Daphne and Lyall at the show. Thank you very much to those people.

Next Friday (13th) is the last day of term and the children will be dismissed at 2:30. At 12 o’clock that day there will be a BBQ lunch at school to celebrate a successful Term 1. All families and friends are invited to join us. The meat will be supplied but it would be appreciated if each family could supply a salad.

Easter is already upon us and I would like to wish everyone a safe and enjoyable time over this period.

Regards,

Murray.
Daily Fitness and Fruit

Each morning the students do daily fitness followed by fruit time.

Some of the fitness activities are:

Obstacle Course

Fruit Time

Games

Skipping
The Upper Primary class would like to thank the following people for purchasing bulbs and helping us to raise money to buy math text books.

Jackie Spronk
Vicky Forrest
Brian & Margaret Kerslake
Kath Prime
Robyn Freeman
Mary LeRaye
Heather Nield
Liz Nield
Murray Adams

We purchased 5 maths text books and will use the remaining money to purchase books from Book Club.

Happy Birthday
