From the Principal

Concert
Children have worked really hard preparing for this years concert. I am proud of the effort they have put into this aspect of their school work. Curriculum areas covered by student concert work include:

- English, speaking and listening, reading and viewing
- The Arts, dance and drama
- Maths, mathematical thinking and space

Key Competencies used during the concert include:

- Working with others in teams
- Communicating ideas and information
- Solving problems
- Using technology.

Children have worked on these aspects of the curriculum at their own ability levels.

Mrs McDonough has again displayed her enormous organizational skills as director and producer of this years performance. Mrs Prime has used her abilities with computers and technology to support Mrs McDonough.

Make sure you come along to see this performance.

Success for Boys Grant for 2007
Along with Ungarra and Karkoo Primary Schools we were successful in winning a grant of $21,000 to learn about how we can best educate our boys. Ungarra Primary School is the ‘lead school’ for this project. I am meeting with Karkoo and Ungarra staff next Wednesday to work out the best way forward for us as a group and as individuals. The majority of this Federally funded grant is be used for teacher Professional Development.

Transition
Year 7s are looking forward to their two days at Cleve Area School next Monday and Tuesday.

Students in year 3 will transition into the UP class room in the last week of the term during the mornings on Monday, Wednesday and Thursday.

School Assembly and End of Year Lunch
End of Year Assembly and shared barbeque lunch will be at the school on Tuesday 12th December. Assembly begins at 12.30 followed by lunch. We will purchase meat from Cleve Butchers. Please bring a plate of salad to share. See order form in newsletter.

Small school Sports Expo was great fun.

On Thursday 23rd November and Friday 24th, year 6 and 7 students from the small primary schools across the Eyre Peninsula converged on Pt Lincoln for two days of fun and sport. Schools taking part were Wharminda Primary, Pt Neill Primary, Karkoo Primary, Ungarra Primary, Penong Primary, Lake Wangary Primary, Lincoln Gardens Primary and Lincoln Special School.

They took part in a sports exposé at Ravendale Sporting Complex with their age and year level peers over the two days. Students from Pt Lincoln High School in years 9, 10 and 11 worked with the younger students teaching them the skills of Hockey, Flag Belt Rugby and T-Ball. Students from the small schools were able to participate in sports they are not always able to play in the small school setting.

Sarah Harrison, Vice Captain of the SA Women's Hockey Team worked with the high school students passing on her knowledge and skills to the students from the small schools. Students were very happy to be learning from such a high profile player and on the top class hockey ground.

Barry Hancock from the Pt Lincoln Table Tennis Club taught the students skills of Table Tennis.

Susan Doyle from Port Lincoln High School and Cheryl Glenie Principal from Wharminda Primary School organized the event together with Mark Fischer, the Active Communities Field Officer from Pt Lincoln. Mark worked as liaison between the schools and organized Sarah Harrison's attendance. Mark was able to guide the schools in applying for and winning a grant to run the camp.

The weather was perfect, the grounds superb and the students from all schools, had a wonderful sporting time.
