NEWS FLASH

WHARMINDA WINS!!!

Congratulations to our students on a very successful Beach Sports Day last Friday. Not only did they win the shield, the first time in 20 years (were you at school back then?), which is a great achievement in itself, but more importantly they behaved extremely well and displayed great sportsmanship. It was great to see them trying their best and having fun regardless of the result. You all should be very proud of your children. A special mention must go to the school captains, Natasha Rosenzweig and Sidney Masters on the sterling job they did organizing and encouraging their team mates. Thanks must go to the other schools for making it such an enjoyable time and to Port Neill for organizing the day. Thank you to all the families who came along and cheered and helped out. It was a great day.

Ms Kirchner has been working with all the children on Thursday afternoons doing Art. The children have been doing line drawings of a city, one in the day and one in the night. They then use water colours to colour their drawings. The children will have completed several pieces of art work in the process. The standard and quality of some of the work is excellent. Hopefully we will be able to display some of the work at the Cleve Show.

I have attached some ideas about helping Boys with their learning which Amanda found while researching the topic. I hope you find them interesting.

For some reason the sixes and sevens are a bit excited this week. It could be to do with the fact that they are going to the Student Leadership Camp at Penong this week. They leave Wednesday afternoon and return Friday. Most of the activities they will be doing are aquatic based. A big thank you to Gill Masters who will be taking them to Penong and Tina Rosenzweig for helping out. I am sure they will have a great time.

On Tuesday 20th of March at 1:45 (Week 8) we will have a school assembly and this will be followed by the Governing Council Meeting. I hope you all can make it.

Just a reminder that this weekend is the Adelaide Cup long weekend so there will be no school on Monday 12th of March. I hope everyone has a great weekend.

Regards Murray.
Whole School Art Update

As part of the up-coming Comeout Festival, the Port Adelaide Football Club is running a state-wide competition to design a Guernsey that will be worn by the team in a match against Richmond on May 12. As a school we decided to participate in the competition and spent two art lessons designing and creating our entries according to the strict guidelines provided. The students put a lot of effort into their designs and I would not be at all surprised to see Port Power running out on to the field in a Wharminda creation.

Volunteer wanted

Our collection of school concert costumes needs to be sorted and catalogued so that we know what we have in storage. Last year we cleaned them out and placed them in large plastic tubs and now we need someone to organise them and type up a list of the different types of costumes and the box they are in etc. If you are able to take this task on please contact Lou at school.

Just a reminder

If you wish to purchase bulbs, from the upper primary class fundraising catalogues, orders and payment need to returned to school by:

Wednesday 21st March 2007

BRING HOME A BROTHER OR A SISTER

In July 2007, students, aged 15-18 years, from over 15 countries will be arriving in Australia to study at local schools for 5 or 11 months. Opportunities exist to act as a host family in a volunteer/unpaid capacity. Hosting can be on a temporary, short or long term basis.

Host families help provide our students with the chance to study and experience life in Australia. This is a great way to learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill. If your family can offer a friendly, supportive and caring home environment, contact us today.
